

SETTING UP APPLICATION ENVIRONMENT

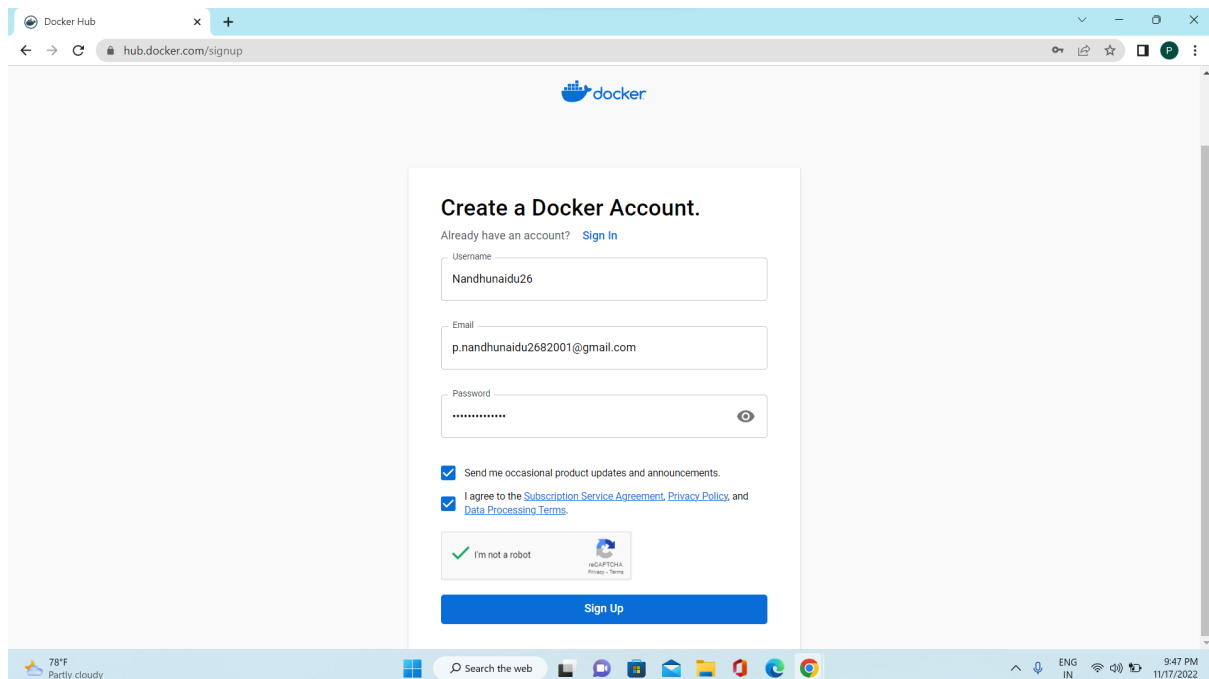

TEAM ID : PNT2022TMID22304

DOCKER CLI Installation

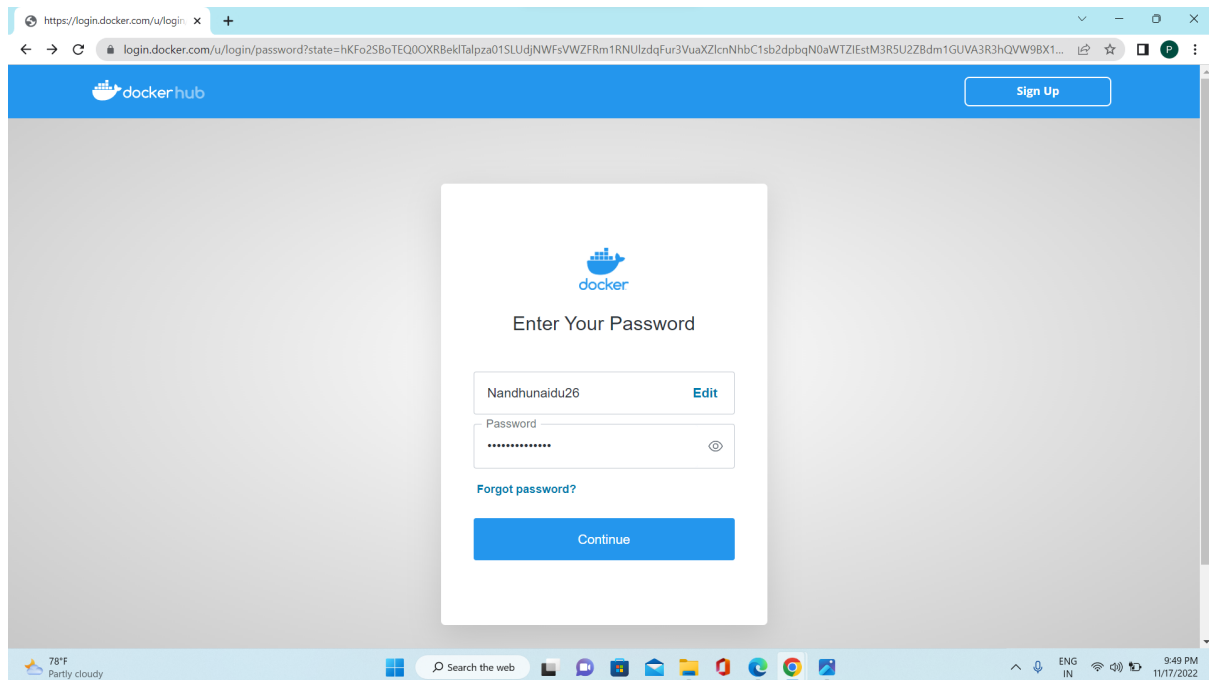

Step 1:

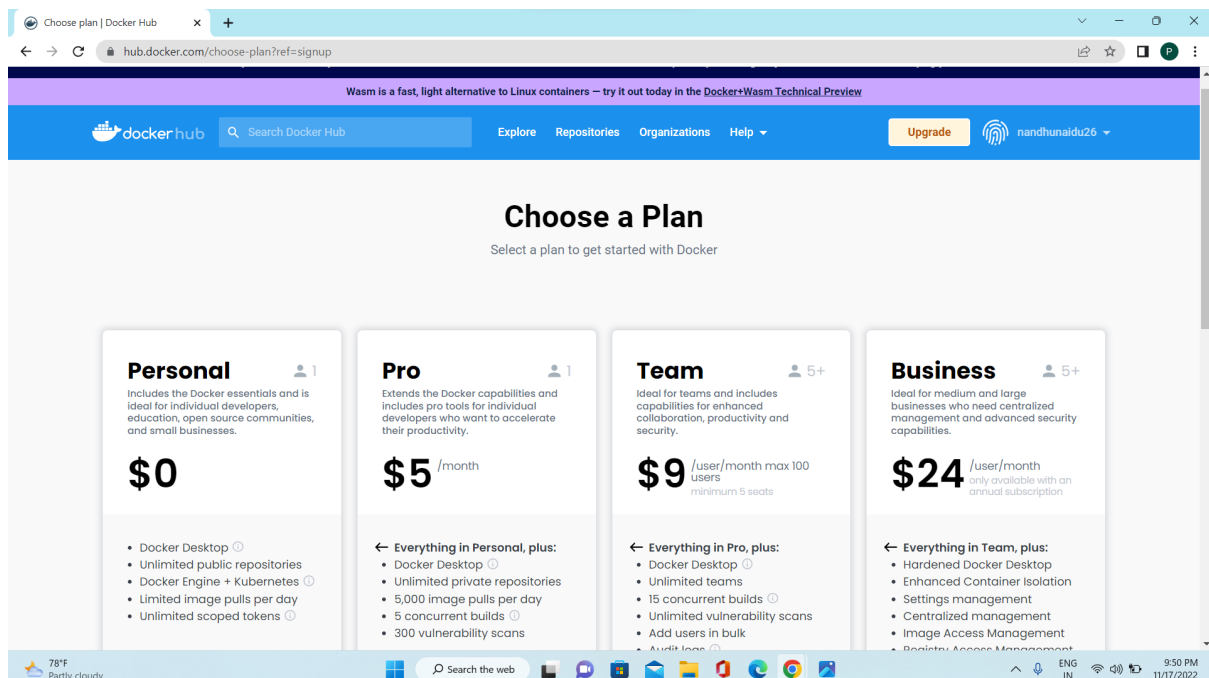

Step 2:

Step 3:

Step 4:

Step 5:

The screenshot shows a web browser window displaying the Docker Hub profile for user 'nandhunaidu26'. The browser's address bar shows 'hub.docker.com/u/nandhunaidu26'. A dark blue banner at the top of the page contains the text: 'Please check your inbox to verify the email associated with this account. You won't be able to create a repository or configure your Docker Hub without verifying your email address.' Below this banner is a purple bar with the text: 'Wasm is a fast, light alternative to Linux containers — try it out today in the Docker+Wasm Technical Preview'. The main navigation bar is blue and includes the Docker Hub logo, a search bar, and links for 'Explore', 'Repositories', 'Organizations', and 'Help'. An 'Upgrade' button and the user's profile icon are also present. The profile section shows the username 'nandhunaidu26' with a blue fingerprint icon, the role 'Community User', and the join date 'Joined November 17, 2022'. Below this are tabs for 'Repositories', 'Starred', and 'Contributed'. The 'Repositories' tab is active, showing a large grey area with a circular icon containing a square and the text 'No repositories' and 'This profile does not have any public repositories'. The Windows taskbar at the bottom shows the weather as '78°F Partly cloudy', a search bar, and various application icons. The system clock indicates '9:58 PM 11/17/2022'.
